OUR STORY

River City Ale House is owned by Justin and Jenny Humphrey. The Humphreys are life long residents of the Sauk Valley area and reside in rural Dixon with their four children. By day, Justin is a lineman and Jenny owns and operates a daycare center in Morrison and Mount Carroll.

River City opened in October of 2022. The main focus when Justin was renovating our facility was to offer residents of the Sauk Valley an upscale bar / restaurant where they could come enjoy a large variety of craft (and domestic) beers, hand crafted cocktails and entrees that were distinctively different than any other business in the area.

After being open for one year River City has added an outdoor patio that is absolutely perfect for your private group dining experience. Feel free to call ahead to schedule your visit!

We greatly appreciate your business and hope that you have a wonderful experience while you are here!!!
